

RESOURCES FOR THE KIVY TUTORIAL

Thanks for following this tutorial.

You will find the resources files for « The Lab » and « Galaxy » projects :

- Source codes for the different versions
- « RESOURCES » directory for images, sounds, fonts

Only use these resources files for your own education purposes.

Do not distribute them.

Want to go further with Python ?

**Python
Developer**

👉 Access to the complete course to get **strong programming skills**, and to be able to **create any kind of projects** : Web, Games, Desktop & Mobile apps.
